

Scouting is where youth build character, learn to lead, make life-long friends doing once-in-a-lifetime things. Scouting is where bright futures begin.

BOY SCOUTS OF AMERICA PROGRAMS

CUB SCOUTS Through fun activities, challenging adventures and community service projects, Cub Scouts discover the importance of cooperation, citizenship, responsibility and physical fitness in their everyday lives. (for girls and boys in grades k-5)

SCOUTS BSA Service, community engagement and leadership development become increasingly important parts of the program as youth lead their own activities and work their way toward earning Scouting's highest rank, Eagle Scout. (for girls and boys ages 11-17)

EXPLORING This career exploration and work force development program gives youth practical insight and hands-on knowledge in a career field of their choice. (for youth ages 14-20 years old)

VENTURING provides positive experiences through exciting and meaningful youth-run activities for pursuing special interests, growing by teaching others, and developing leadership skills. (for youth ages 14-20 years old)

"There's no question; our youth and community benefit from every young man or woman committed to living by the Scout Oath. I watched my son advance through Scouting and become the young man he is today. If there's anything I can do to make that happen for every Scout, I will gladly do it."

FRIENDS OF SCOUTING MAKES A DIFFERENCE

Your Friends of Scouting gift helps provide our Scouts with local camps, programs, and leadership to ensure the best Scouting experience. Each Scout is supported by approximately \$204 in funding supplied by Friends of Scouting.

"Scouting has profoundly affected my life, and that's why I happily volunteer today. When I was growing up, my family didn't have a lot of money, and the camp scholarships I received were the only way I was able to have those life-changing experiences. I know now that those scholarships came from contributions to Friends of Scouting."

Kenny Wolf—River Trails District
