

SCOUTING FOR FOOD

November 21

Dear Unit Leader:

Thank you for participating in the Greater St. Louis Area Council's 35th Annual Scouting for Food drive. More than 35,000 Scouts in the 60+ counties of our council come together for this two-day service project. It is impressive what can be done when we work together. More than 52,000,000 cans of food have been collected during its 34-year history.

Our Good Turn has a positive impact on the community. Food pantries are stocked for the winter months and Scouts have an opportunity to see how community service and volunteerism make a difference. This is truly an outstanding project.

Scouting for Food is as successful as you make it. Be sure everyone knows your plan and expectations. Work your assigned area completely. If you are unable to cover your entire assigned area, contact your District Scouting for Food Chairman or District Executive. The public counts on being a part of our Good Turn and people are disappointed when they are overlooked.

To assist you, we have prepared this Unit Information Kit. Please review the materials thoroughly. If you have any questions, contact your District Executive.

Information regarding COVID-19 safety precautions is located page 3 of this document. Please exercise extreme safety and caution. All procedures have been created and approved from a panel of physicians to adapt to the changes brought about by the pandemic. Our community needs us NOW more than ever... help us feed just as many of those in hunger as we did last year.

Yours in Scouting,

Suzie Voss

2020 GOOD TURN

This is the Greater St. Louis Area Council's 35th annual Scouting for Food Good Turn, and it continues to be the largest single-day canned food drive in the United States. During its 34-year history, Scouts have collected more than 52 million cans of food.

The 2020 campaign begins on Saturday, **November 14**. Approximately 35,000 Scouts go door-to-door distributing custom-made plastic grocery bags. On Saturday, **November 21**, Scouts return to those neighborhoods to collect the bags filled with canned goods. The timing of the campaign coincides with the spirit of giving and appreciation associated with the upcoming Thanksgiving holiday season.

What: An area-wide food drive conducted to support agencies that provide food to those in need. The Greater St. Louis Area Council conducts this food drive in 63 counties across southeast Missouri, southeast Illinois and central Illinois. More than 35,000 Scouts and adult Scouters collect food.

When: Saturday, **November 14, 2020** – Bag Distribution Day
Saturday, **November 21, 2020** – Food Collection Day

How: On a district by district basis, packs, troops, teams, crews and posts are assigned geographic areas in which they distribute bags and, a week later, return to collect bags filled with canned goods.

Units deliver food to a central collection site -- a firehouse or a food pantry. Trucks transport food from firehouses to the St. Louis Area Foodbank for distribution through more than 400 member agencies.

Firehouse Involvement

Participating firehouses in St. Louis City and County provide space for food sorting and boxing on Saturday, November 21. On the same day, Sunset Transportation, Inc. will coordinate the efforts of many donated trucks and volunteer drivers to collect all food at the firehouses and transport it to the St. Louis Area Foodbank.

Local Food Pantries

In areas outside St. Louis City and County, units are assigned to take food collected to a local food pantry. Venturers and Explorers may assist in shelving food or boxing it for storage.

Partner Agencies

St. Louis Area Foodbank
Operation Food Search
Fire Chiefs' Association
Sunset Transportation, Inc.
Local food pantries (outside St. Louis City and County)

COVID-19 Safety Precautions and Policies

The community needs us more than ever right now.... Please make every effort to make this Scouting for Food safe and beneficial to our community and each person involved.

Below are the safety precautions that every individual must follow on November 14th and 21st of the Scouting for Food drive. All procedures have been created and approved from a panel of physicians to adapt to the changes brought about by the pandemic.

Local and State Requirements:

- All Illinois, Missouri, and local county or city orders/requirements must be followed. If any of these requirements make it not possible to host this event, we send out communications indicating so.
- Those decisions will be made (if needed) prior to the start of the event, and we will plan on hosting the event unless it is made impossible to do so

Masks:

- Masks must be worn by participants (youth and adult) over the age of 2 years old

Social Distancing:

- 6 feet of social distancing from members other than your household must always be present
- Do not gather in groups larger than 50 individuals
- A unit should split up patrols and dens so that a den/patrol interacts the least amount with another den/patrol
- Carpooling is permissible if necessary and limited to no more than 4 people in the vehicle, spread as far apart as possible.
 - Wear masks and attempt to only carpool with people who you interact with in other venues (sports teams, neighbors, schools, etc.).
- Each adult involved is responsible to ensure these procedures are followed throughout the event.

Hygiene and Sanitization:

- All participants should use hand sanitizer and/or wash hands frequently
- Each unit should plan to have and provide ample hand sanitizer for all participants
- Do not share meals or drinks together

Health Checks:

- All participants are required to self-check their health prior to arrival at the event. If you feel unwell, have a cough, or a fever you are NOT allowed to attend the event.
- An adult is to take the temperature of each participant. Anyone with a temperature of 100.4 or higher is to be sent home.

Virtual Option:

- Any canned food item you can donate would be greatly appreciated. To donate virtually, text "SCOUTFOOD" to 91999 – all monetary donations will go directly to the St. Louis Area Foodbank and Operation Food Search. A \$1 donation = 4 meals!

2020 SCOUTING FOR FOOD GOOD TURN

UNIT SCOUTING FOR FOOD CHAIRMAN

RESPONSIBILITIES

1. Accept responsibility for your unit's participation in Scouting for Food. Please inform your district's Scouting for Food chair if you are unable to cover your entire assigned area.
2. Actively lead your unit on Saturday, November 14th, and on Saturday, November 21st, 2020.
3. Attend District Briefing Meeting (usually October Roundtable) and secure all needed information and collection supplies. Review the map of the unit's assigned collection territory and make assignments.
4. Be sure that the entire territory is covered. Ensure that Scouts will deliver a bag to all households in assigned territory on Saturday, November 14.
5. Arrange for collection of filled bags from households in the same assigned territory on Saturday, November 21, beginning at **10:00 a.m.**

Tip: Assign Scouts to collect bags from the same area in which they delivered them. This will help cut down on missed bags.

Take the food collected to the designated district collection stations (firehouses) in St. Louis City and County and to assigned local food pantries outside St. Louis City and County. This must be done by 4:00 p.m. on Saturday November 21.

**PLEASE GO BACK THROUGH YOUR ASSIGNED AREA IN THE EARLY AFTERNOON.
EACH YEAR SOME BAGS ARE MISSED OR ARE SET OUT LATE.**

2020 Unit Game Plan

All units should know their assigned territory. Contact your district executive or Scouting for Food Chair if you do not know your territory assignment by November 1.

All Scouts and Scouters should be in full uniform. The public will be able to identify us. Thanks to our publicity, they will know why you are there and what it is you are doing.

Select an assembly place and time for November 14 and November 21 -- e.g., unit's regular meeting place or other convenient, central location. Be sure everyone is aware of the time and location. Secure one or more non-contact thermometer for taking temperatures and an adequate supply of hand sanitizer.

On November 14

Assemble ahead of time. Take temperatures and follow procedures as outline in the COVID response plan on page 3. Brief the adults and Scouts and distribute the bags.

Have enough families assigned to permit only households traveling together and to support the number of Scouts and area covered.

Scouts should leave the bags on doors. **Do not** enter the home. **Do not** put the bags in mailbox. Do not enter any home that has a sign regarding no soliciting or no entrance.

Bags should be distributed to residences only, no businesses.

Vehicles should stay as close to Scouts as possible. Adults should be on the streets to supervise.

Remind Scouts and adults the week before Bag Distribution Day and Food Collection Day.

On November 21

DO NOT begin collection before **10:00 a.m.** This allows families time to place food outside.

Review plans for the day. Take temperatures and follow procedures as outline in the COVID response plan on page 3

Have your group cover the same area in which they distributed bags. Many homes are missed when one group distributes bags, but then a different group collects the food from the same street.

Collection stations are open from 10:00a.m. – 4:00p.m.

At the collection stations, Scouters will help unload the food.

**PLEASE COVER YOUR TERRITORY BY CAR IN THE EARLY AFTERNOON
TO COLLECT BAGS MISSED DURING THE MORNING PICK UP.**

2020 SCOUTING FOR FOOD GOOD TURN

UNIT TERRITORY

1. Your unit should work its assigned territory only. It is crucial that you cover your assigned area thoroughly. Each year there are disappointed people whose homes are missed.
2. On boundary streets, collect on your side of the street only (unless given other instructions).
3. Skip apartment units with controlled access and "No Solicitation" rules. Scouts should not enter a building with multiple units, but with a single entry that would allow a Scout to be out of sight from the street.
4. Collect from private homes only. Do **not** solicit from grocery stores or other commercial establishments.
5. Be certain Scouts are in full uniform, travel in households only, and are adequately supervised - this is especially true for Cub Scouts.
6. Collection bags should be distributed door-to-door on Saturday, November 14, beginning at **9:00 a.m.** Place bags on a door handle or between a storm door and entry door. **Do not** put them in mailboxes, which is against the law.
7. **Do not** tie bags on doors in such a way that people cannot open their doors.
8. **Food must be collected on Saturday, November 21, beginning at 10:00 a.m. or later. Collect food from the same exact area where you distributed bags.**

Food should be turned into your district collection station (firehouse) or local food pantry. Collection stations will be open from 10:00 a.m. to 4:00 p.m. and will be supervised by Scouting personnel.
9. If you have any questions, contact your District Scouting for Food Chairman or your District Executive.

HELP PROMOTE SCOUTING FOR FOOD
THROUGH YOUR ORGANIZATION

Dear Leader:

Here are four easy ways to help spread the word about Scouting for Food through your organization:

- Use the enclosed two-paragraph or four-paragraph newsletter item, and ask the editor of your school newspaper or church/synagogue/temple bulletin to publish it.
- Ask to speak to your school PTA or PTO, or your congregation about the importance of Scouting for Food. Enclosed are presentation points that include all the necessary information on the Scouting for Food campaign.
- Create Scouting for Food flyers for bulletin boards throughout your school, church, synagogue, temple, mosque, or public library.
- Use Facebook or Twitter or other social media platforms to create awareness among your electronic friends.

SCOUTING FOR FOOD

PRESENTATION POINTS

- In our area, it is estimated that 1 out of 10 people will go without food tomorrow. That's an estimated 420,000 people that will go without food on a regular basis.
- Of that number, it is estimated that 140,000 are children that will go to bed hungry.
- Scouting for Food, which was started in 1985 by the Greater St. Louis Area Council of the Boy Scouts of America, has since grown into the nation's most successful single-day food drive.
- Last year, the Scouts collected 1.9 million cans of food for area food pantries. The food drive has collected more than 50 million cans of food since its inception.
- This year Scouts will distribute Scouting for Food bags throughout neighborhoods in the Greater St. Louis Area Council on Saturday, November 14, 2020. All procedures have been created and approved from a panel of physicians to adapt to the changes brought about by the pandemic.
- They will return the following Saturday, November 21, 2020 to collect the filled bags.
- Any canned food item you can donate would be greatly appreciated. To donate virtually, text "SCOUTFOOD" to 91999 – all monetary donations will go directly to the St. Louis Area Foodbank and Operation Food Search. \$1 = 4 meals!

SCOUTING FOR FOOD NEWSLETTER ITEM #1

(Cub pack, Scout troop, Varsity team, Venturing crew, Explorer post # _____) sponsored by (_____) needs your help - and so do thousands of hungry people in our community.

Our Scouts are participating in the annual Scouting for Food drive this fall. The 2020 food drive will take place on two consecutive Saturdays. On November 14, Scouts will place plastic bags at doorsteps throughout St. Louis City, St. Louis County, the surrounding counties, southeast Missouri, southern Illinois, and central Illinois. The following Saturday, November 21, Scouts will return to pick up the filled bags. Food donated in a particular area will be distributed through relief pantries in that area. To donate virtually, text "SCOUTFOOD" to 91999 – all monetary donations will be donated to the St. Louis Foodbank and Operation Food Search. \$1 = 4 meals!

SCOUTING FOR FOOD NEWSLETTER ITEM #2

(Cub pack, Scout troop, Varsity team, Venturing crew, Explorer post # _____) sponsored by (_____) needs your help - and so do thousands of hungry people in our community.

Our Scouts are participating in the annual Scouting for Food drive this fall. The 2020 food drive will take place on two consecutive Saturdays. On Saturday, November 14, Scouts will place plastic bags at doorsteps throughout St. Louis City, St. Louis County, the surrounding counties, southeast Missouri, southern Illinois, and central Illinois. The following Saturday, November 21, Scouts will return to pick up the filled bags. Food donated in a particular area will be distributed through relief pantries in that area.

This year the Scouts hope to match or better the success of last year's food drive - which resulted in 1.9 million cans of food collected. This year the food pantries are looking for protein food such as canned tuna, peanut butter, or canned ravioli.

Your help is desperately needed. Please be sure to look for your Scouting for Food bag on November 14 and fill it with any canned food items you can donate. Scouts will collect the donations from your doorstep on November 21. To donate virtually, text "SCOUTFOOD" to 91999 – all monetary donations will be donated to the St. Louis Foodbank and Operation Food Search. \$1 = 4 meals!
