- Fishing Derby

# June Programming - Wolf

## Wolf Summer Scout Challenge June 2020

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	1 Go on a 1 mile hike with your family. Find two interesting things you've never seen before.	2 Show that you can put together the cub scout 6 essentials.	3 Tell what the buddy system is and why we follow it. Tell what you should do if you get separated from the group.	4 Show that you can pick different types of clothing for different weather conditions.	5 Recite the outdoor code and leave no trace principles.	6 Name two birds, insects, and mammals that live in your area. Explain how to identify them.
7 Draw a map of an area near where you live using common map symbols. Show which direction is N	8 Make a paper airplane and fly it 5 times. Change it to make it fly better. Try flying 5 more times.	9 Make a balloon powered boat or sled. Test it with more or less air.	10 Bounce a ball that doesn't have enough air in it, then air it up and tell how its bounce has changed.	11 Make a kite using household materials. Explain the rules of kite safety.	12 Create a musical instrument that uses wind. Play it for your family.	13 With an adult, conduct an investigation on how speed can affect sound.
14 Select a seed and plant it in a small container. Care for it for 30 days.	15 Find the growing zone of your area, learn the types of plants that grow best in your area.	16 Go on a virtual field trip to a botanical garden or nursery. Learn about two plants they grow.	17 Make a terrarium. Care for it for 30 days.	18 Play a game that demonstrates your knowledge of dinosaurs.	19 Create an imaginary dinosaur. Share its name, what it eats, and where it lives.	20 Watch or read for one-hour total about archeology. Make a list of two questions*
21 Create a Plaster of Paris Petroglyph. Look online for ideas and resources*	22 Find out about archaeology and what an archaeologist does on a dig site*	23 Discover the differences between physical remains, artifacts, and ecofacts. Find examples of each*	24 Make a list of 10 artifacts from your home that serve as clues to the way you live*	25 Create your own layers of artifacts. Gather items that would show future archaeologists how your family lived*	26 Take a virtual field trip to an archeological site or a natural history museum*	27 Make a list of the things you've learned about archeology*
28 Learn about how police officers, firefighters, and veterans serve our community.	29 Participate in a family flag ceremony and learn how to fold the flag (use sheets for practice)	30 Participate in a community service project with your family.				

# July Programming - Bear

## Bear Summer Scout Challenge July 2020

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
			1 Color a Picture of the American Flag. Display it in your home.	2 Find out about the Pledge of Allegiance. Say it every day this month.	3 Find out about one famous American. Tell your parents what you learned.	4 Participate in a patriotic event that honors our country.
5 Find out about another famous American. Tell your parents what you learned.	6 Go on a virtual tour of a historic site.	7 Make a list of emergency numbers. Display it at home.	8 Tell your parents how to call for help during an emergency.	9 With your parents, develop an emergency plan. Practice the plan three times.	10 Community Service Project: With your parents help, clean up your local street or neighborhood.	11 Create your own bear cookbook with at least 5 recipes. Include at least one breakfast, lunch, dinner, and snack
12 Explain the importance of planning, tool selection, sanitation, and cooking safety.	13 Prepare and nutritious snack for your family.	14 Select one of your recipes from Sunday and prepare a shopping list, have a parent get the materials.	15 Cook and serve your planned meal from yesterday. Clean up after preparation and cooking.	16 Prepare a nutritious snack for your family.	17 Select a recipe to cook in the outdoors. Prepare a shopping list and have a parent get the materials.	18 Cook and serve your planned meal from yesterday. Clean up after preparation.
19 Create, Plan, and practice summoning help during an emergency.	20 Learn how to shut off utilities to your home in an emergency.	21 Use the internet to learn simple rescue techniques.	22 Learn how to care for choking, wounds, nosebleeds, falls, and animal bites.	23 Put together a family emergency kit for use in the home.	24 Put on a training program for your family on stranger awareness, internet safety, or safety at home.	25 Give a presentation to your family on what you have learned about preparing for emergencies.
26 Learn about three types of fish in your area. Draw a picture of each fish and record its food and habitat.	27 Learn about local fishing regulations. List three and give the reason that the regulation exists.	28 Learn about the different types of fishing equipment.	29 Build a simple fishing pole, practice casting at a target without a hook.	30 Put together a simple tackle box to take with you on your fishing adventure.	31 Go on a fishing adventure, spend a minimum of one hour trying to catch a fish.
