

**U.S. Fish & Wildlife Service**

## **Crab Orchard**

*National Wildlife Refuge / Illinois*

### **Boy Scouts Merit Badge Wilderness Survival**

**Wanting to learn how to survive in the wilderness and earn your Wilderness Survival merit badge at the same time? Come join the Crab Orchard Refuge AmeriCorps staff in a fun filled day of survival skills.**

In this program the Scouts will learn the hazards of wilderness survival, how to Anticipate, help prevent, mitigate or lessen the hazards, maintain morale when lost, and identify different weather conditions and what needs to be done, learn different methods to build a fire, learn different ways to attract attention when lost, learn how to read a map and compass and navigate using them. Scouts will also learn Basic First Aid in this program. The program will be outdoors so please dress accordingly.
