North Star	Ferguson #1	200 S. Florissant Rd.	Ferguson		

As you can see, we are in need of a coordinator for Ferguson Station #1. Please let me know if you would be willing to coordinate the drop off of food and filling of boxes.

ALSO, we are in need of a Scouting for Food Chairperson! The job is not difficult, I promise! Please let me know if you would be interested in serving the Scouts and your community in this worthwhile cause.

### **NOW HIRING!!**

Would you like to be part of a great group of people who put together our District Dinner? It's a fun job and the pay is great! Pay is based upon the amount of fun you have. ☺ Please let me know if you would like to help.

Yours in Scouting,

# SCOUTING FOR FOOD

November 21

## Dear Unit Leader:

Thank you for participating in the Greater St. Louis Area Council's 35th Annual Scouting for Food drive. More than 35,000 Scouts in the 60+ counties of our council come together for this two-day service project. It is impressive what can be done when we work together. More than 52,000,000 cans of food have been collected during its 34-year history.

Our Good Turn has a positive impact on the community. Food pantries are stocked for the winter months and Scouts have an opportunity to see how community service and volunteerism make a difference. This is truly an outstanding project.

Scouting for Food is as successful as you make it. Be sure everyone knows your plan and expectations. Work your assigned area completely. If you are unable to cover your entire assigned area, contact your District Scouting for Food Chairman or District Executive. The public counts on being a part of our Good Turn and people are disappointed when they are overlooked.

To assist you, we have prepared this Unit Information Kit. Please review the materials thoroughly. If you have any questions, contact your District Executive.

Information regarding COVID-19 safety precautions is located page 3 of this document. Please exercise extreme safety and caution. All procedures have been created and approved from a panel of physicians to adapt to the changes brought about by the pandemic. Our community needs us NOW more than ever... help us feed just as many of those in hunger as we did last year.

Yours in Scouting,

*Suzie Voss*

## **2020 GOOD TURN**

This is the Greater St. Louis Area Council's 35<sup>th</sup> annual Scouting for Food Good Turn, and it continues to be the largest single-day canned food drive in the United States. During its 34-year history, Scouts have collected more than 52 million cans of food.

The 2020 campaign begins on Saturday, **November 14**. Approximately 35,000 Scouts go door-to-door distributing custom-made plastic grocery bags. On Saturday, **November 21**, Scouts return to those neighborhoods to collect the bags filled with canned goods. The timing of the campaign coincides with the spirit of giving and appreciation associated with the upcoming Thanksgiving holiday season.

**What:** An area-wide food drive conducted to support agencies that provide food to those in need. The Greater St. Louis Area Council conducts this food drive in 63 counties across southeast Missouri, southeast Illinois and central Illinois. More than 35,000 Scouts and adult Scouters collect food.

**When:** Saturday, **November 14, 2020** – Bag Distribution Day  
Saturday, **November 21, 2020** – Food Collection Day

**How:** On a district by district basis, packs, troops, teams, crews and posts are assigned geographic areas in which they distribute bags and, a week later, return to collect bags filled with canned goods.

Units deliver food to a central collection site -- a firehouse or a food pantry. Trucks transport food from firehouses to the St. Louis Area Foodbank for distribution through more than 400 member agencies.

### **Firehouse Involvement**

Participating firehouses in St. Louis City and County provide space for food sorting and boxing on Saturday, November 21. On the same day, Sunset Transportation, Inc. will coordinate the efforts of many donated trucks and volunteer drivers to collect all food at the firehouses and transport it to the St. Louis Area Foodbank.

### **Local Food Pantries**

In areas outside St. Louis City and County, units are assigned to take food collected to a local food pantry. Venturers and Explorers may assist in shelving food or boxing it for storage.

### **Partner Agencies**

St. Louis Area FoodBank  
Operation Food Search  
Fire Chiefs' Association  
Sunset Transportation, Inc.  
Local food pantries (outside St. Louis City and County)

## **COVID-19 Safety Precautions and Policies**

The community needs us more than ever right now.... Please make every effort to make this Scouting for Food safe and beneficial to our community and each person involved.

Below are the safety precautions that every individual must follow on November 14<sup>th</sup> and 21<sup>st</sup> of the Scouting for Food drive. All procedures have been created and approved from a panel of physicians to adapt to the changes brought about by the pandemic.

### **Local and State Requirements:**

- All Illinois, Missouri, and local county or city orders/requirements must be followed. If any of these requirements make it not possible to host this event, we send out communications indicating so.
- Those decisions will be made (if needed) prior to the start of the event, and we will plan on hosting the event unless it is made impossible to do so

### **Masks:**

- Masks must be worn by participants (youth and adult) over the age of 2 years old

### **Social Distancing:**

- 6 feet of social distancing from members other than your household members must always be present
- Do not gather in groups larger than 50 individuals
- A unit should split up patrols and dens so that a den/patrol interacts the least amount with another den/patrol
- Carpooling is permissible if necessary and limited to no more than 4 people in the vehicle, spread as far apart as possible.
  - Wear masks and attempt to only carpool with people who you interact with in other venues (sports teams, neighbors, schools, etc.).
- Each adult involved is responsible to ensure these procedures are followed throughout the event.

### **Hygiene and Sanitization:**

- All participants should use hand sanitizer and/or wash hands frequently
- Each unit should plan to have and provide ample hand sanitizer for all participants
- Do not share meals or drinks together

### **Health Checks:**

- All participants are required to self-check their health prior to arrival at the event. If you feel unwell, have a cough, or a fever you are NOT allowed to attend the event.
- An adult is to take the temperature of each participant. Anyone with a temperature of 100.4 or higher is to be sent home.

### **Virtual Option:**

- Spread the word! To donate virtually, text "SCOUTFOOD" to 91999 – all monetary donations will be donated to the St. Louis Foodbank and Operation Food Search. A \$1 donation = 4 meals!

## **2020 SCOUTING FOR FOOD GOOD TURN**

### **UNIT SCOUTING FOR FOOD CHAIRMAN**

#### **RESPONSIBILITIES**

1. Accept responsibility for your unit's participation in Scouting for Food. Please inform your district's Scouting for Food chair if you are unable to cover your entire assigned area.
2. Actively lead your unit on Saturday, November 14th, and on Saturday, November 21st, 2020.
3. Attend District Briefing Meeting (usually October Roundtable) and secure all needed information and collection supplies. Review the map of the unit's assigned collection territory and make assignments.
4. Be sure that the entire territory is covered. Ensure that Scouts will deliver a bag to all households in assigned territory on Saturday, November 14.
5. Arrange for collection of filled bags from households in the same assigned territory on Saturday, November 21, beginning at **10:00 a.m.**

**Tip:** Assign Scouts to collect bags from the same area in which they delivered them. This will help cut down on missed bags.

Take the food collected to the designated district collection stations (firehouses) in St. Louis City and County and to assigned local food pantries outside St. Louis City and County. This must be done by 4:00 p.m. on Saturday November 21.

**PLEASE GO BACK THROUGH YOUR ASSIGNED AREA IN THE EARLY AFTERNOON.  
EACH YEAR SOME BAGS ARE MISSED OR ARE SET OUT LATE.**

**2020 Unit Game Plan**

All units should know their assigned territory. Contact your district executive or Scouting for Food Chair if you do not know your territory assignment by November 1.

All Scouts and Scouters should be in full uniform. The public will be able to identify us. Thanks to our publicity, they will know why you are there and what it is you are doing.

Select an assembly place and time for November 14 and November 21 -- e.g., unit's regular meeting place or other convenient, central location. Be sure everyone is aware of the time and location. Secure one or more non-contact thermometer for taking temperatures and an adequate supply of hand sanitizer.

**On November 14**

Assemble ahead of time. Take temperatures and follow procedures as outline in the COVID response plan on page 3. Brief the adults and Scouts and distribute the bags.

Have enough families assigned to permit only households traveling together and to support the number of Scouts and area covered.

Scouts should leave the bags on doors. **Do not** enter the home. **Do not** put the bags in mailbox. Do not enter any home that has a sign regarding no soliciting or no entrance.

Bags should be distributed to residences only, no businesses.

Vehicles should stay as close to Scouts as possible. Adults should be on the streets to supervise.

Remind Scouts and adults the week before Bag Distribution Day and Food Collection Day.

**On November 21**

**DO NOT** begin collection before **10:00 a.m.** This allows families time to place food outside.

Review plans for the day. Take temperatures and follow procedures as outline in the COVID response plan on page 3

Have your group cover the same area in which they distributed bags. Many homes are missed when one group distributes bags, but then a different group collects the food from the same street.

Collection stations are open from 10:00a.m. – 4:00p.m.

At the collection stations, Scouters will help unload the food.

**PLEASE COVER YOUR TERRITORY BY CAR IN THE EARLY AFTERNOON  
TO COLLECT BAGS MISSED DURING THE MORNING PICK UP.**

**2020 SCOUTING FOR FOOD GOOD TURN****UNIT TERRITORY**

1. Your unit should work its assigned territory only. It is crucial that you cover your assigned area thoroughly. Each year there are disappointed people whose homes are missed.
2. On boundary streets, collect on your side of the street only (unless given other instructions).
3. Skip apartment units with controlled access and "No Solicitation" rules. Scouts should not enter a building with multiple units, but with a single entry that would allow a Scout to be out of sight from the street.
4. Collect from private homes only. Do **not** solicit from grocery stores or other commercial establishments.
5. Be certain Scouts are in full uniform, travel in households only, and are adequately supervised - this is especially true for Cub Scouts.
6. Collection bags should be distributed door-to-door on Saturday, November 14, beginning at **9:00 a.m.** Place bags on a door handle or between a storm door and entry door. **Do not** put them in mailboxes, which is against the law.
7. **Do not** tie bags on doors in such a way that people cannot open their doors.
8. **Food must be collected on Saturday, November 21, beginning at 10:00 a.m. or later. Collect food from the same exact area where you distributed bags.**

Food should be turned into your district collection station (firehouse) or local food pantry. Collection stations will be open from 10:00 a.m. to 4:00 p.m. and will be supervised by Scouting personnel.
9. If you have any questions, contact your District Scouting for Food Chairman or your District Executive.

**HELP PROMOTE SCOUTING FOR FOOD**  
**THROUGH YOUR ORGANIZATION**

Dear Leader:

Here are four easy ways to help spread the word about Scouting for Food through your organization:

- Use the enclosed two-paragraph or four-paragraph newsletter item, and ask the editor of your school newspaper or church/synagogue/temple bulletin to publish it.
- Ask to speak to your school PTA or PTO, or your congregation about the importance of Scouting for Food. Enclosed are presentation points that include all the necessary information on the Scouting for Food campaign.
- Create Scouting for Food flyers for bulletin boards throughout your school, church, synagogue, temple, mosque, or public library.
- Use Facebook or Twitter or other social media platforms to create awareness among your electronic friends.

## **SCOUTING FOR FOOD**

### **PRESENTATION POINTS**

- In our area, it is estimated that 1 out of 10 people will go without food tomorrow. That's an estimated 420,000 people that will go without food on a regular basis.
- Of that number, it is estimated that 140,000 are children that will go to bed hungry.
- Scouting for Food, which was started in 1985 by the Greater St. Louis Area Council of the Boy Scouts of America, has since grown into the nation's most successful single-day food drive.
- Last year, the Scouts collected 1.9 million cans of food for area food pantries. The food drive has collected more than 50 million cans of food since its inception.
- This year Scouts will distribute Scouting for Food bags throughout neighborhoods in the Greater St. Louis Area Council on Saturday, November 14, 2020. All procedures have been created and approved from a panel of physicians to adapt to the changes brought about by the pandemic.
- They will return the following Saturday, November 21, 2020 to collect the filled bags.
- Any canned food item you can donate would be greatly appreciated. To donate virtually, text "SCOUTFOOD" to 91999 – all monetary donations will be donated to the St. Louis Foodbank and Operation Food Search. \$1 = 4 meals!

# Greetings from your Camping Chair!

Council is encouraging Units to go camping! The current camping guidelines include:

- When traveling, the safest method is only household members in a vehicle. When necessary, persons outside of a household may travel in a vehicle together but do not have more than four people and spread each passenger as far apart as possible.
- Tent camping is recommended with one youth in each tent unless they are household members, the same gender, and less than 2 years apart in age. Adults are also one per tent unless they are spouses that live together. Tents are to be spaced at least 6-ft apart.
- Preparing and serving food is limited to the fewest number of adults practical and serve individual portions.
- **Masks are to be worn at all times!**

For next year, Spring Camporees and Summer Camp 2021 are anticipated to be held!

Below is a safety moment compiled from those Councils who did hold camps this past summer. Please consider this when planning your next camping outing!

## Safety Moment

### Restart Scouting Checklist

As always, the safety of our Scouts, volunteers, employees and communities is our top priority. This checklist outlines several minimum guiding protocols that adult leaders/volunteers must consider while working with local and state health departments, local councils, chartered organizations and Scouting families on when and how to resume meetings, service projects, camping and all other official Scouting activities.

*If it is not practical to meet these minimal protocols, do not restart in-person activities.*

**S = Supervision**

- ☐ Understand local and state guidance on preventing COVID-19 exposure.
- ☐ Engage your chartered organization and local council on necessary adjustments.
- ☐ Conduct the "before you gather" protocols.

**A = Assessment**

- ☐ Identify participants who fall under the CDC's group of higher-risk individuals. Notify all participants about the risks of participating since COVID-19 exposure cannot be eliminated.
- ☐ Verify that the planned activity, gathering or group sizes are not prohibited by local or state orders.

**F = Fitness and Skill**

- ☐ Review Annual Health and Medical Records and consider using a [pre-event screening](#) for all participants.

**E = Equipment and Environment**

- ☐ Verify that handwashing, hygiene and cleaning supplies are available and used properly.
- ☐ Monitor social distancing, interactions and sharing of equipment and food among participants.
- ☐ Monitor participants for changing health conditions.
- ☐ Use the "as you gather" protocols.

Do your part!  
Wear a mask and stay 6-feet apart!

# North Star Family Friends of Scouting

## 2020 Campaign Update

**SCOUTS STAND OUT.**

Greater St. Louis Area Council, Boy Scouts of America

**2020 Family Friends of Scouting status:** While the Greater St Louis Area Council is working to meet it's 2020 goal, North Star is also still trying to lower the gap between current status and our 2020 goal.

**Sooner rather than later:** While respecting that families may have been impacted by covid-19, we are asking those that can, to make their donations sooner rather than later. Council has sent mailers to families and recent past donors. We would like families and past donors to make their donations.

**Online donations:** For unit's families that are able to donate soon, the leaders should please make them aware of the opportunity for online donations at <https://stlbsa.org/donate>. Texting MACARTHUR20 to 91999 links to the same underlying site. We can make the donor premiums available through the units, if requested

I hope that if we are able to get a larger number of people to donate, whether reaching out to current scout families, or even alumni, we will be able to come together as North Star does so often to hit that goal. I know that North Star has a lot of strength and resiliency. Be safe, stay healthy, and keep working the program virtually with your units. Remember to support your family and community too during this extremely difficult time.

Thank you, and God bless you.  
St. George, pray for us.
