

BUG HUNTERS STEM TWILIGHT CAMP

Date: June 26th - 30th (Monday - Friday)
Location: Cottleville Knights of Columbus
Time: 5:00 - 8:30 pm
Facebook: Search for @STEMTwilight
Email: merit.scout@gmail.com

At summer camp, popular activities such as archery and sling shots return each year, while others such as games, sports, and crafts rotate and change with the annual theme to keep camp different and engaging each year. This year's theme is Bug Hunters! STEM Camp promises to have even more exciting activities than ever before! We are looking at possible special features from many community partners and contributors that may include:

- The Butterfly House
- The Missouri National Guard
- Cottleville Police and possibly the FBI
- Virtual Reality Exhibits
- Robotics Teams
- BSA National Fishing Task Force
- Missouri American Water
- Endangered Wolf Center
- And many more!

STEM Twilight Camp is for all Cub Scouts and Webelos Scouts. Tiger Cubs graduating from kindergarten are included in this group, but MUST have a Tiger Partner to walk around with them at all times. A Tiger Partner may be an aunt, uncle, grandparent, etc.
