## American Indian Seminar

We are proud to announce the upcoming Section C-3B American Indian Seminar! Focusing on key aspects of American Indian culture such as dance, singing, and crafting, this seminar offers a variety of training and programs taught by excellent trainers from all across the country. We will also have both training and competitions for all OA ceremonies, helping all lodges improve both their dance and ceremony programs. It will include several hands-on craft workshops where participants can learn different craft techniques and take something home to show for it! This event is open to ALL registered BSA members and will include a Cub Scout program along with a focus on ladies' dance styles. The event will culminate in a powwow on Saturday evening with our host drum, Texas Connection, all the way from Houston, TX.
